To the Board of Stichting International SOS

REVIEW REPORT

Introduction
We have reviewed the financial statements of Stichting International 50S, Amsterdam for the year ended June 30, 2013. Management is responsible for the preparation of the financial statements in accordance with generally accepted accounting principles in the Netherlands. Our responsibility is to issue a review report on these financial statements.

Scope
We conducted our review in accordance with Dutch Law, including the Dutch Standard 2400 "Engagements to review financial statements". This requires that we plan and perform the review to obtain moderate assurance about whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and therefore provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Conclusion
Based on our review, nothing has come to our attention that causes us to believe that the accompanying financial statements do not give a true and fair view of the financial position of Stichting International 50S, Amsterdam as at June 30, 2013, and of its results for the year then ended in accordance with generally accepted accounting principles in the Netherlands.
